# HOW CONNECTED ARE YOU?

**Barrow Strong Resource Fair: Connecting you with resources that will prepare and empower you for anything!**

From global pandemics and inflation to everyday life challenges like a loss of job or unexpected health challenges, we all face difficult times. Our community has wonderful resources to help you and your family prepare during the good times and know where to turn during the hard times. We are bringing all of these resources under one roof to connect community leaders, citizens, and non-profit organizations. Together we ensure that we love, share, and serve our neighbors. Let's keep Barrow County Strong.

## OUR GOALS

Saturday August 27th
